INDEPENDENT AUDITORS' REPORT ON THE ANNUAL FINANCIAL REPORT

Board of Directors
Wilmette Community Special Education Agreement
Wilmette, Illinois

We have audited the financial statements of Wilmette Community Special Education Agreement as of and for the year ended June 30, 2011, as listed in the table of contents. These financial statements are the responsibility of the Agreement's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

These financial statements are issued to comply with regulatory provisions prescribed by the Illinois State Board of Education, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. They are intended to assure effective legislative and public oversight of school district financing and spending activities of accountable Illinois public school districts. Note 1 to these financial statements more fully describes their basis of presentation. The effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

In our opinion, because of the effects of the matter discussed in the previous paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Wilmette Community Special Education Agreement as of June 30, 2011, or changes in financial position for the fiscal year then ended.

Additionally, in our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wilmette Community Special Education Agreement as of June 30, 2011, and its changes in financial position during the fiscal year ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 20, 2011, on our consideration of the Wilmette Community Special Education Agreement's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting and compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing results of our audit.

Our audit was made for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the financial statements of Wilmette Community Special Education Agreement. The information in this schedule has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying regulatory-based financial statements as listed in the table of contents of the Annual Financial Report form are presented for purposes of additional analysis and are not a required part of the basic financial statements of the Agreement. Such information, except for the financial profile information, estimated financial profile summary, statistical section, estimated indirect cost rate for federal programs, administrative cost worksheet and itemization schedule, which were not audited, has been subjected to the auditing procedures applied in our audit of the basic financial statements, and in our opinion, is fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the Board of Education, management of the Agreement, and the Illinois State Board of Education and is not intended to be and should not be used by anyone other than these specified parties.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed
In Accordance with *Government Auditing Standards*

Board of Directors
Wilmette Community Special Education Agreement
Wilmette, Illinois

We have audited the financial statements of Wilmette Community Special Education Agreement as of and for the year ended June 30, 2011, and have issued our report thereon dated September 20, 2011. Our opinion was adverse because the financial statements are not prepared in accordance with generally accepted accounting principles. However, the financial statements were found to be fairly stated on the modified accrual basis of accounting, in accordance with regulatory reporting requirements established by the Illinois State Board of Education, which is a comprehensive basis of accounting other than generally accepted accounting principles. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Wilmette Community Special Education Agreement internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing and opinion on the effectiveness of the Wilmette Community Special Education Agreement's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Entity's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is reasonable possibility that a material misstatement of the Agreement's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or be material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Board of Directors

Compliance and Other Matters

As a part of obtaining reasonable assurance about whether Wilmette Community Special Education Agreement financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

In accordance with SAS No. 114 *The Auditor's Communication With Those Charged With Governance* we have issued a separate letter dated September 20, 2011 to the Board of Directors addressing those required communications.

This report is intended solely for the information and use of the Board of Directors, management and the Illinois State Board of Education, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

WILMETTE COMMUNITY SPECIAL EDUCATION AGREEMENT

Notes To Financial Statements

June 30, 2011

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Wilmette Community Special Education Agreement (The 'Agreement') operates a joint agreement. The Agreement is organized under the School Code of the State of Illinois as amended. The following is a summary of the more significant accounting policies of the Agreement.

a. The Reporting Entity

The Agreement includes all funds of its governmental operations that are controlled by or dependent upon the Agreement as determined on a basis of financial accountability. Financial accountability includes appointment of the organization's governing body, imposition of will, and fiscal dependency. The accompanying financial statements include only those funds of the Agreement, as there are no other organizations for which it has financial accountability. Per the Articles of Agreement, Wilmette School District No. 39 serves as the administrative agent for the agreement. Currently, there are two member districts in the agreement.

b. Basis of Presentation - Fund Accounting

The accounts of the Agreement are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues and expenditures. The Agreement maintains individual funds required by the State of Illinois. Agreement resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The following fund type is used by the Agreement:

Governmental Fund Type

General (Educational) Fund – The Educational Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

c. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

Government fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities in the current period. For this purpose, the Joint Agreement considers revenues to be available if they are collected within 60 days of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due.

d. Budgets and Budgetary Accounting

Annual budgets are adopted on the modified accrual basis of accounting by the Board of Education, beginning for the year ended June 30, 2011.

The Agreement follows these procedures in establishing the budgetary data reflected in the financial statements:

1. The Executive Director submits to the Board a proposed operating budget for the fiscal year. The operating budget includes proposed disbursements and the means of financing them.
2. Public hearings are conducted at a public meeting to obtain taxpayer comments.
3. Prior to September 30, the budget is legally adopted through passage of a resolution.
4. The Executive Director is authorized to transfer up to 10% of the total budget between line items within any fund; however, any revisions that alter the total disbursements of any fund must be approved by the Board.
5. Formal budgetary integration is employed as a management control device during the year.
6. The Board may amend the budget by the same procedures required of its original adoption.

e. Cash and Investments

Deposits are forwarded to member districts after they are received by the administrative agent. At June 30, 2011 the carrying amount of the Agreement's deposits, totaled \$0 and the bank balances totaled \$0. Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The Agreement does not have a deposit policy for custodial credit risk.

Concentration of Credit Risk. The Agreement places no limit on the amount the Agreement may invest any one issuer. More than 5 percent of the Agreement's investments may be concentrated in specific individual investments.

NOTE 2. RISK MANAGEMENT

Member Districts are required to provide and maintain insurance at their cost from reputable private insurance companies. Risks covered include general liability, business automobile liability and workers compensation. No material decreases in insurance coverages have occurred, nor have any insurance claims in excess of insurance coverages been paid or reported in the past three fiscal years.

To the Board of Directors
Wilmette Community Special Education Agreement
Wilmette, Illinois

We have audited the financial statements of Wilmette Community Special Education Agreement for the year ended June 30, 2011. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards (and, if applicable, *Government Auditing Standards* and OMB Circular A-133), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 16, 2011. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Wilmette Community Special Education Agreement are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2011. We noted no transactions entered into by the governmental unit during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 20, 2011.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the governmental unit's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the governmental unit's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of Board of Directors and management of Wilmette Community Special Education Agreement and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
