

# 39EXPRESS

SUMMER 2023

## Important Dates

### A Message from the Superintendent

Happy Summer! The 2022–23 academic year certainly had a more traditional look to it than the previous three and the spirit and positive vibes could be felt throughout our buildings. One thing that has never changed is the commitment of our teachers, administrators, and staff to our students. It was as strong as ever this past year and I am extremely grateful to lead a district with a dedicated and collaborative staff and families who are truly invested in the education and development of their children.

Our year-end traditions elicited smiles, laughter, fun, and a strong sense of community from students and staff alike as we celebrated the accomplishments and progress of all of our students. Our kindergarten students proudly showcased their knowledge as they eagerly await the challenge of first grade, and we gathered together to share our gratitude and appreciation for our talented 8th-grade students, who are departing D39 for the next step in their academic journey. They will always have a home in our community.

This pervasive spirit and these strong community partnerships help to make District 39 a very special place. Educating the children of Wilmette is our collective goal. Creating a learning community that fosters and values partnership, collaboration and communication strengthens our culture of connectedness and builds a sense of pride in our work. Working together to fulfill our district’s mission of engaging, empowering, and inspiring our students to lead academically successful, socially responsible, compassionate and purposeful lives further enriches that sense of pride. Together, we all work to support the success of all of our students.

Thank you for your support throughout the year. Our accomplishments are a reflection of our collective partnership and effort. We look forward to the beginning of another school year ahead and, until then, hope you have a relaxing, joyful summer. We are eager to welcome

Your partner in education,

Kari Cremascoli, Ph.D.  
Superintendent of Schools

# Class of 2023 Graduates

District 39 wrapped up the 2022–23 academic year by celebrating the Class of 2023 with a fun-filled graduation ceremony at New Trier. We wish this talented group nothing but success as they prepare for the next step in their academic journey. Good luck to all of our graduates!

## POSTAL PATRON LOCAL

The District 39 Educational Foundation, a 501c(3) non-profit organization, raises funds for projects that expand, enrich, and complement educational opportunities for the students, staff, and community in District 39. Visit us online at [d39foundation.org](http://d39foundation.org) for more information.

Recognizing the District 39 planning and budgeting schedule, the Gripp Grant program provides funding opportunities for innovative programs. Teachers, staff, parents, and community members may apply for grants to support these programs that are not included in D39 Budgets that would enhance, enrich, and inspire curriculum and classroom experiences. The Gripp Grant program provides our D39 community the opportunity to take risks through piloting “out of the box” education practices that exceed our tax-dollars alone.

The District 39 Educational Foundation grants funds for **innovative educational programs, experiences, and technologies that expand, enrich, and complement the schools’ curricula.** Grant applications are welcome from anyone – teachers, staff, parents and students in District 39 – or any organization that makes a proposal consistent with the mission of the Foundation. Our grant program is named in memory of D39 teacher and founding Foundation Board Trustee Phyllis Gripp.
